

# Fertility and the paediatric patient with Turner syndrome

Dear Healthcare Professional,

We are excited to invite you to join us for a medical education evening with our panel of experts to explore how to best manage fertility preservation in women with Turner Syndrome. We will also hear first hand from the **Turner Syndrome Association** and a personal account from Lauren who will share how she navigated her fertility journey.

If you are in Sydney we would love to see you in person, otherwise the meeting will be live streamed and also available on demand.

To register for the meeting or to receive the on demand recording please click on the link below.
