

Dr Rob Loblay Allergy Symposium

Saturday 8 November 2025, 8.30am to 5pm
John Greenaway Conference Room,
RPA Hospital

The Department of Clinical Immunology and Allergy at RPA Hospital is proud to host the inaugural Dr Rob Loblay Allergy Symposium – a program featuring the latest updates on common atopic conditions and the evidence-based management options available.

Please join us in celebrating the remarkable life and enduring contributions of the late Dr Rob Loblay who dedicated over four decades of service to RPA Hospital.

Please see Program on second page.

Early Bird Tickets of **\$99** available until 7 September.

Full price tickets available 8 September onwards for \$139.
